Green Features Worksheet

MLS# _____ Date _____

Address:_____

This work sheet is designed to clarify the Green Features fields. Use it to identify any Energy Certification or Rating and more fully explain any other green features. If Green Features is marked "Yes, See Associated Docs" on the Residential Input Form, this worksheet must be up loaded in Associated Docs.

Certification or Energy Rating — Documented Verification Required

- ❍ LEED Certified — The Leadership in Energy and Environmental Design (LEED) Green Building Rating System™
- ❍ ENERGY STAR Certified — This is a joint program of the U.S. EPA and the U.S. Department of Energy. Applies to the entire building; not household products.
- ❍ HERS Rated _____ (actual rating) — Home Energy Rating System (HERS) is an energy evaluation program recognized by the Federal Government; a uniform system for evaluating the overall energy efficiency of the residential dwelling.
- ❍ Other Certification or Rating _____
