(You'll be taken to *online* Registration)

Register online by clicking the **green button above**, or complete this form and send via email or fax to us:

Email: info@nnrmls.com Fax: 775.823.8809

Name: _____

Member #: _____

Office: _____

Phone #: _____

Email: _____

NOTE: There are limited computers available in the NNRMLS Lab. We recommend you bring your own computer and arrive 10 minutes early to allow yourself ample time to connect to the NNRMLS wireless network. Thank you!

All MLSU classes are taught by our Director of Member Services,
Andrew Cristancho: andrew@nnrmls.com

We also offer customized training – What You Want, When You Want:

MLSU is customizable! You can schedule a custom class on whatever subject you might need help with! Andrew is available to meet with you one-on-one, or come to your office meeting.

To ask Andrew a question, email andrew@nnrmls.com.

To set up an appointment, visit Andrew's calendar link: <https://calendly.com/nornevmlsandrew>

NNRMLS Class Descriptions:

All MLSU classes (Lab and Online) are taught by our Director of Member Services, Andrew Cristancho.

 **Cloud Streams:** Auto-Drip 2.0! Cloud Streams uses leading technology to give buyers the fastest listing notifications in the industry! Come learn how this easy-to-use tool can help you get your client into their dream home! This is a ½-hour class. Offered online and in-person.

Cloud MLX: Surf your MLS! Cloud MLX is a fun, intuitive way to search the MLS, connect with other agents, and work smarter with your clients. Searching your MLS doesn't have to be hard! Want to learn more? This is a ½-hour class. Offered online and in-person.

CRS Data: Check out CRS Data, a mobile friendly, easy to use tax data tool! In this one-hour class you'll learn about the CRS streamlined navigation search and how to easily make branded reports. CRS Data includes FEMA flood zones, comps, sales history, a refined value tool, tools for prospecting and it even helps you create mailing lists.

Orientation: 3-hour introduction to the MLS focusing on Rules, Regulations & Policies. Particular attention is given to the citation policy, hearing process, value of the MLS and protecting access. We cover the Member Launchpad, review NNRMLS Products & Services and also a 15-minute "Intro to Paragon" is included. **This is a required class to be taken within your first 30 days of joining.**

Paragon Essentials Clinic: In-depth lab-style class teaching how to search for listings, save searches, print and email results, enter listings, create contacts, customize your Paragon account and much more! This is a 2-hour class.

Instanet Clinic Hands-On: The hands-on class you've been looking for! You'll walk away feeling confident by practicing the complete process – create transactions from start to finish, and build your own template! This is an 1 ½ class.

Authentisign Clinic: Another NNRMLS Member-requested class! Get comfortable using Authentisign! Create your own signing from a transaction within Instanet, make an Authentisign template, learn the nuances of the drag & drop and markup tools. This is an 1 1/2 -hour class.

Instanet/Authentisign Online: The best parts of the Instanet and Authentisign clinics combined into a shorter ONLINE class! Learn from the comfort of your own home or office! This is a 2-hour class.
