

MLS 101 Pre-Requisite to Membership

NNRMLS is proud to offer this fast-paced and informative lecture-style course. We will cover our rules and regulations, service fee system, billing policies, lockbox system and introduce you to some of the excellent Member services available to you through your Membership. We will also give you some exposure to the Paragon MLS system. Further MLSU courses are offered in our computer lab for hands-on training toward mastery of the intricacies of Paragon.

Sign up to attend our live MLS 101 Orientation offered in Reno at our NNRMLS office or attend via your personal computer through our Online Training Program. Both are easy, informative and will fulfill your requirement. Online attendees will be sent easy step-by-step instructions for logging onto the course via the internet and toll-free telephone.

NOTE: MLS 101 Orientation is required within **30 days** of joining. Classes are free, but should you fail to attend without calling to cancel **24 hours prior**, you will be charged a **\$25 No-Show Fee**; this applies to both the Live Seminar and the Online Orientation.
