Options

Text Box: Allows agent to add text

Pen: Draw freehand

Oval: Draw a shaded oval

Rectangle: Draw a shaded rectangle

Highlighter: Highlight in 6 different colors

Line: Draw a straight line

The image shows a software interface for document markup. At the top, it indicates 'Step 4: Design' for a document titled 'Instanet Way Sandi & Sam Seller'. There is a 'Next' button and a 'Signers' dropdown menu currently set to 'Sandi The Seller'. A toolbar contains several icons: a text box icon (IT), a pen, an oval, a rectangle, a highlighter, and a line tool. A 'Markup' menu is open, showing options like 'ZOOM', 'Page (2 of 2)', 'Layouts', and 'Options'. Yellow arrows point from descriptive text boxes on the left to the corresponding icons in the toolbar. A larger yellow arrow points from the 'Markup' menu to a text box on the right.

Markup Tools:
Begin by clicking to open the markup tools
These are used by the agent to add text to the page and/or highlight and draw shapes on the page
