

Cloud Agent Suite

TECH FOR 2020
TAKE YOUR BUSINESS MOBILE

Katie Smithson is the Director of Enterprise Services at W+R Studios - creators of the Cloud Agent Suite. She manages the Outside Sales and Training Teams to help build B2B relationships, expand product offerings, and grow enterprise revenue. Having worked as a vendor in the MLS Industry for ten years, Katie has an extensive track record of success in these areas and is currently serving on the CMLS Board of Directors.

Her personal interests include public policy and recently completed a yearlong program through the YWCA of Greater Atlanta working to advocate policies that affect women and children. She lives just outside Atlanta, GA with her husband Zach and two dachshund puppies.
