2.1.A Process. When a violation is reported, NNRMLS staff will send a Courtesy Correction Notice to the Responsible member (Participant or Subscriber) with a copy of the Notice to the Responsible Participant (Broker) via email. The member will have until 5:00pm that day to make the correction (effective 12/17). If the correction is not made a Notice of Violation-Warning will be sent to the responsible member (Participant or Subscriber) with a copy of the Notice to the responsible Participant (Broker) via email. If no email address is available, a fax transmission will be made. If the violation is not corrected within two business days of the Notice of Violation-Warning, a *Notice of Citation and Fine Assessment* will be sent to the Member and his/her Broker. The notification will include the amount of the fine. Refer to the NNRMLS Citation Matrix for a complete overview of the Level 1 through 3 Citations and fine amounts.

2.1.B Level 1 Fine Calculation. If uncorrected within two business days of original notification, the amount for a Level 1 fine will be \$100. If uncorrected for an additional 5 calendar days, the fine will double to \$200. If uncorrected for a further 7 calendar days, the fine will double again to \$400. If still uncorrected for a final 7 calendar days the fine will double again to \$800 and the services of the member will be suspended until the total fine is paid.

2.1.C Level 2 Fine Calculation. If uncorrected within two business days of original notification, the amount for a Level 2 fine will be \$250. If uncorrected for an additional 5 calendar days, the fine will double to \$500. If uncorrected for a further 7 calendar days, the fine will double again to \$1,000. If still uncorrected for a final 7 calendar days the fine will double again to \$2,000 and the services of the member will be suspended until the total fine is paid.

2.1.E Maximum Fine for Levels 1 through 3. The maximum fine for an uncorrected Level 1-3 violation is \$5,000. If correction is not made before the maximum is reached the member's services will be immediately suspended until the correction is made and the fine paid.

2.2 Level 4 Citations. Level 4 Citations will be sent in the same manner as noted above. However, the two business day correction period does not apply to Level 4 Citations – they are all automatic. The amount of Level 4 fines vary. Fine amounts for uncorrected citations will continue to double in successive 7 calendar day increments as in the Level 1-3 citations.

2.3 Clear Cooperation Citations. Clear cooperation citation will be sent in the same manner as noted above. However, the two-business day correction does not apply to Clear Cooperation Citations. The first offence of a Clear Cooperation violation is correctable within one business day to avoid a fine, any additional violations will result in an automatic fine. *Notice of Citation and Fine Assessment* will be sent to the Member and his/her Broker. The notification will include the amount of the fine.

2.4 Coming Soon Showing Violation. Coming Soon Showing Citations will be sent in the same manner as noted above. However, the two business day correction period does not apply to Coming Soon Showing Violation – this is an automatic fine. *Notice of Citation and Fine Assessment* will be sent to the Member and his/her Broker. Section 8 – Coming Soon Showing Violation Citations and Fines

8.2 Reporting a Coming Soon Showing Violation: Showing Violations can be submitted to NNRMLS using the Coming Showing Violation Reporting Page on the NNRMLS Members Website and must include all required information and documentation specified. NNRMLS staff will review violation reports and issue citations if sufficient evidence of a violation is available. Violation Reports are to be submitted anonymously. NNRMLS staff are not able to provide information concerning report submissions or related findings to members who report potential or substantiated violations.

8.3 Fines: Each incident of a Coming Soon Showing Violation will result in automatic fine(s) as follows:

- \$1,000 automatic fine to Listing Agent when Listing agent shows their own Coming Soon listing.
- \$1,000 automatic fine to the Buyer's Agent when Buyer's Agent shows Coming Soon listing without permission from Listing Agent.
- \$1,000 automatic fine to the Buyer's Agent and \$1,000 automatic fine to the Listing Agent when Buyer's Agent shows Coming Soon listing with Listing Agent's permission.

Note: Fines shall not be in excess of \$1,000 per member, per incident. If a Listing Agent is also the Showing Agent and shows a listing in the Coming Soon status while representing both the Seller and a potential buyer, the Listing Agent's fine shall be \$1,000 total.

Section 9 – Responsibility for Violations and Fines

The violating Member shall have initial responsibility for correcting the Citation and paying all fines. If the violator is a clerical user or unlicensed assistant for a Member or Broker, the responsible Member/Broker shall be responsible for payment of all fines.

When a violation or citation is issued on a co-listed property, a copy of the notice is sent to both listing agents as well as the Broker(s). In the case of a fine being assessed, it is the policy of NNRMLS that the total amount of the fine is applied to the first listing agent. NNRMLS requires written authorization from both agents in order to split or move the citation

amount onto the second listing agent's account. Either or both agents have a right to the hearing process. (updated 5/21/2014)

Section 10 – Non-Payment Results in MLS Suspension

Failure to pay a fine in accordance with current NNRMLS billing policies (unless an administrative review or a hearing is requested as set forth below) will result in suspension of MLS services of the responsible member. Payment of the fine and the service re-activation fee will be required before MLS services will be reinstated.

Section 11– Notice of Violation

For purposes of this Policy, **Notice of Violation-Warnings** and **Notice of Citation and Fine Assessments** will be sent to the listing agent/subscriber with a copy of the Notice to the Broker Participant (Broker) as defined in Section 2.1.A, Summary of Citation Process and Fine Amounts.

Section 12 – Calculation of Time Periods

12.1 Receipt of Notices. Receipt of a notification sent by NNRMLS to a Subscriber and Participant will be presumed received on the date emailed, faxed. Final dates for receipt of replies from the Subscriber or Participant will be included in all correspondence from NNRMLS.

12.2 Initial Notification and Response. In calculating time periods, the initial time to submit a response to a *Notice of Violation-Warning* (Level 1 through 3 only) is based on business days (weekends and holidays excluded). If the Violation is not corrected and a Citation is issued, the time that passed while the violation is NOT corrected is calculated on calendar days. Calculation of time begins on the day of notification of Citation. See Section 2, Summary of Citation and Fine Amounts.

Section 13 – Due Date for Payment of Fines

Fines will be placed on the member's billing account upon assessment. Should a waiver request be submitted in accordance with current policy, the amount will be removed from the member's account pending final determination. If the fine is upheld, the amount will be placed back on the member's account and payment will be subject to current NNRMLS billing policies.

Section 14 – Multiple Violations

14.1 Multiple Level Violations on the Same Listing. If any specific Notice of Citation and Fine Assessment includes a combination of Level 1 through Level 4 fines, the higher Level rate will be applied. *(Note, this does not preclude another notice of citation in the future for the same MLS number for different or similar violations)*

14.2 Multiple Violations of the Same Level on the Same Listing. If more than one violation in the same Level is cited on a particular citation notice, the amount will not increase on a per violation basis. Example: no listing photo and a non-reported transaction on the same listing would be \$250 total, not \$250 each. *(Note, this does not preclude another notice of citation in the future for the same MLS number for different or similar violations)*

14.3 Repeat Offenders. If a member is found in violation of the same offense a second time, the citation will not include the 2 business days warning. Rather the *Notice of Citation and Fine Assessment* will be sent and the fine will begin at the sum equivalent to the amount due at the end of the first 7 days.

Example: second offense of Level 1 Violation – Notice sent with \$200 fine assessed; second offense Level 2 Violation – Notice sent with \$500 assessment; etc. If uncorrected within 7 days, fine will continue to double as in first offense scenario. i.e. Level 1 = \$200, \$400, \$800, \$1600 and suspension. (Note, Member will be on notice as a repeat offender)

Should a member be found in violation of the same offense a third time, *Notice of Citation and Fine Assessment* will state that this member has been warned of repeated violations. The member will be required to make the correction and. A fine not to exceed \$5,000 will be assessed.

Section 15 – Right to Dispute Notice of Violation and Fine Assessment

All members have the right to request a Waiver of any Citation/Fine issued. Should the Waiver be denied, the member shall then be notified of his/her right to a Hearing by the NNRMLS Hearing Panel. The Hearing and Appeal processes will be conducted in accordance with the National Association of REALTORS® Code of Ethics and Arbitration Manual (COEAM). Maximum penalties and additional sanctions that may be added during the hearing process are also in accordance with the (COEAM) and the Multiple Listing Service Handbook.

15.1 Initial Request for Waiver. Requests for Waiver must be submitted in writing within thirty (30) calendar days of the date that the actual fine/citation was issued. Required corrections must be made prior to requesting a waiver of a fine.

15.2 Administrative Panel Review. An administrative panel will review the request and respond with a decision within ten (10) calendar days of receipt of the waiver request. The Administrative Panel has the ability to waive, deny or, in cases of a first time offense of a Level 4 automatic violation of the Late Listing citation, the administrative panel may offer a one-time reprieve so long as the member attends an educational session on the Rules, Regulations and Policies of the MLS. (Amended 6/ 2015) If the request for waiver is denied, general information and all necessary forms to request a hearing will be included in the response. If a Hearing is not requested by the deadline noted in the correspondence, the decision of the Administrative Panel will be final.

15.3 Requesting a Hearing. The member will have twenty (20) calendar days from the date on the waiver denial notification to request a hearing. Requests for a hearing must be submitted on the Hearing Request form and be accompanied by all required forms, including all documentation for review at the hearing. A request for Hearing will not be considered “received” until all required information is complete and properly signed (if applicable).

15.4 Types of Hearings. The member will have the option to appear in person at the hearing with the opportunity to bring witnesses, have legal counsel present, etc.

15.5 Make Up of a Hearing Panel. A panel will consist of at least three qualified panel members including one member of the Board of Trustees.

15.6 Hearing Dates. Hearings will be scheduled monthly; additional dates may be scheduled as needed.

15.7 Receipt of Documentation. Receipt of documentation or correspondence sent by NNRMLS to a Subscriber and/or Participant will be presumed received on the date faxed or emailed. Final dates for receipt of replies will be included in all correspondence.

15.8 Decision of Hearing Panel. The responsible Subscriber and/or Participant will be notified of the results of the Hearing within 10 calendar days of the final decision of the Hearing Panel. Hearing Panel decision will include information on the member’s right to appeal the decision based on due process and proper procedures. If an appeal is not filed within the required time frame, the decision of the Hearing Panel will be final.

15.9 Right to Appeal the Decision of the Hearing Panel. Upon notification of the decision of a Hearing Panel, the member shall have the right to appeal the decision based only on “Due Process” as defined in the National Association

of REALTORS® Code of Ethics and Arbitration Manual (COEAM). A request for appeal must be filed within twenty (20) calendar days of the date on the decision of the Hearing Panel.

Appeals will be referred to the Board of Trustees. Members requesting an appeal will be subject to payment of any processing fees charged for the procedure.

Exemptions will not be granted to Designated REALTORS® or for reasons outside of those outlined in the MLS Rules and Regulations.

2. Exemption Application Process: A MLS monthly fee exemption request and agreement must be submitted in writing, on the NNRMLS approved form, and must be signed by both the agent requesting the exemption and his/her broker.

Additionally, the applying agent may not have a lockbox key and may not have any active or pending-no show listings in the MLS system under his/her name as listing agent or as a contact.

- A. **Approval:** If the applying agent meets the criteria as outlined in the MLS Rules and Regulations and at the time of review does not have a lockbox key or any active, the exemption will be granted administratively for the time between approval and the next annual renewal period.
- B. **Subject To:** If the applying agent meets the criteria as outlined in the MLS Rules and Regulations but has a lockbox key and/or active listings, the exemption will be subject to documentation of the return of the lockbox key and/or transfer of the listings to another agent in his/her firm. The exemption will not be effective until NNRMLS receives documentation from the agent or his/her broker that the necessary lockbox and/or transfer of listings has been completed.

Additionally, an annual renewal fee of \$35 will be billed to the Designated REALTOR® for each licensee that the DR certifies for renewal.

6. Exemption Period: Initial exemptions will be granted from the date of approval through the next annual renewal period. Exemption renewals will be for a one year period subject to receipt of certification from the Designated REALTOR® that the agent still qualifies for exemption. If the renewal certification is not received within the renewal period, the exemption will be cancelled and billing for monthly MLS fees will resume for that agent. No credits will be given for monthly fees billed on late renewals.

MLS Content Use and License Policy

Adopted November 15, 2006

1. Listing Content access and licensing limited to uses permitted by MLS policy. The Northern Nevada Regional MLS (“NNRMLS”) complies with applicable laws and with the multiple listing policies of the National Association of REALTORS® (“NAR”) as set forth in the NAR Handbook on Multiple Listing Policy. NAR’s Internet Data Exchange (“IDX”) policies require NNRMLS to provide limited Listing Content access and licensing to MLS Participants under certain circumstances; but these are the only circumstances under which NNRMLS can be compelled to license or provide access to the MLS Listing Content or membership information. Furthermore, such licenses and accesses are still subject to all of the NNRMLS’s other policies, including standard licensing and access agreements, which are left to local control by NAR policy. Except as expressly required in the NAR policies or by applicable law, therefore, NNRMLS shall provide access to and license MLS listing and membership Listing Content only where consistent with these policies.

2. NNRMLS responsibility for protecting Listing Content. NNRMLS is responsible for licensing and protecting intellectual property rights in the database Content relating to listings on behalf of the listing Participant. NNRMLS will achieve this objective by taking all the following steps:

- Obtaining licenses from Participants and third parties that contribute Listing Content relating to listings.
- Granting a broad license to listing Participants to use content relating to their own listings.
- Granting a narrow license to all MLS Participants to use the Listing Content of other Participants to the limited extent permitted by the Rules and Regulations.
- Enforcing MLS rules relating to use of Listing Content.
- Registering the copyright in the MLS Database with the U.S. Copyright Office.
- Aggressively pursuing copyright infringers and database pirates to the extent possible, taking into consideration MLS’s budget and staff resources.

3. Uses by Participants for Internet Display (IDX/Broker Reciprocity). NNRMLS shall provide a feed of Listing Content for IDX purposes to member Participants under the following guidelines:

- Participant and service provider (“Vendor”), if applicable, must sign a Broker Reciprocity/IDX Agreement and pay the applicable fee for the Content feed.
- Participant’s website must be in compliance with NNRMLS Rules and Regulations governing the IDX/Broker Reciprocity program.
- Participant’s membership in NNRMLS must be current at all times.
- Participant, at his/her discretion, may authorize subscribers from his/her firm to display IDX/Broker Reciprocity Listing Content on their respective websites and agrees to take responsibility for any potential misuse by the subscribers. NNRMLS will not license Listing Content directly to subscribers at any time. If a Participant chooses to authorize his/her subscribers to have Listing Content on their websites, Participant must sign the Broker Reciprocity/IDX Agreement on behalf of the listing agent and accept all responsibilities outlined in the agreement.
- Both the Participant and the Vendor (if applicable) are responsible for all Listing Content integrity issues arising from the Listing Content feed and must take steps to prevent the NNRMLS Listing Content in its custody from being pirated.

4. Uses by third parties or Participants to deliver services to Participants. A third party or Participant may use NNRMLS Content for purposes of delivering it back to authorized Participants and subscribers, only under the following circumstances:

- If the Board of Trustees, in its sole discretion, determines that the service is an important one that the MLS cannot feasibly offer on its own.
- If NNRMLS determines, through its own investigation and research, that the use of the Content in the proposed service will not injure the business interests of NNRMLS or of its other Participants.

- If the service includes fields deemed confidential by NNRMLS, or replaces primary features of the current MLS system the service must include SafeMLS authentication.
- The Content provided will not be displayed or be made searchable on any website, public or private, except as outlined in the IDX/Broker Reciprocity Rules and Regulations.
- Upon meeting the above noted criteria and execution of a License Agreement.

5. Participant non-core uses including other Participants' listings. Each Participant is entitled to receive a download of relevant portions of the MLS Listing Content, including Listing Content of other Participants, for purposes of building in-house and back-office systems, provided all the following requirements are met:

- Only the staff and licensees of the downloading Participant for whom applicable fees have been paid to NNRMLS may access MLS Listing Content.
- If the service includes fields deemed confidential by NNRMLS, or replaces primary features of the current MLS system the service must include SafeMLS™ authentication.
- If the Participant wishes to receive a direct in-house feed of Listing Content, he/she must enter into a License Agreement with NNRMLS and pay all applicable fees.
- If Participant is using a third party service provider ("Vendor"), the Vendor must execute a License Agreement with NNRMLS and pay any applicable licensing fees. The Vendor must have at least one Participant as a customer prior to the execution of the License Agreement and must inform NNRMLS of any additional brokerages that subscribe to the Vendor's services.
- Both the receiving Participant and the Vendor (if applicable) must take responsibility for all Listing Content integrity issues arising from the Listing Content feed and must take steps to prevent the MLS Listing Content in its custody from being pirated.
- If Participant is not using a third party service provider ("Vendor"), the Participant must execute a License Agreement and must take responsibility for all Listing Content integrity issues arising from the use of the Listing Content and must take steps to prevent the MLS Listing Content in his/her custody from being pirated.

6. Participant uses of other Participants' listings inconsistent with MLS rules. Any use of MLS Listing Content that is not expressly authorized in these policy statements or in the Rules and Regulations is hereby prohibited.

7. MLS Content displayed on public search engines. NNRMLS may from time to time enter into agreements to license Listing Content to third parties for public search and display of properties (example: realtor.com) on the Internet. These licenses shall be subject to the following:

- At the discretion of Board of Trustees.
- Use of listings and listing information by MLS for purposes other than the defined purposes of MLS requires Participants' consent. MLS may presume such consent provided that listing Participants are given adequate prior notice of any intended use unrelated to the defined purpose of MLS, and given the opportunity to affirmatively withhold consent for that use.
- Participants cannot be required to transfer any rights (including intellectual property rights) in their listings or Listing Content to MLS to obtain or maintain participatory rights, except that MLS may require Participants to consent to storage, reproduction, compiling, and distribution of listings and listing information to the extent necessary to fulfill the defined purposes of MLS. MLS may also require Participants to warrant that they have the rights in submitted information necessary to grant these rights to MLS.
- License fees established and spent at the discretion of the NNRMLS.

8. MLS structured access with listing Participant permission. MLS may from time to time enter into agreements to license Listing Content to third parties that provide real estate related productivity products (such as Top Producer, Just Listed/Sold, ShowingTime) etc., subject to each of the following conditions:

- The Vendor must execute a License Agreement with NNRMLS and pay any applicable licensing fees.

- The Vendor must have at least one Participant as a customer prior to the execution of the License Agreement and must inform NNRMLS of any additional brokerages that subscribe to the Vendor's services.
- Both the receiving Participant and the Vendor (if applicable) must take responsibility for all Listing Content integrity issues arising from use of the Listing Content feed and must take steps to prevent the MLS Listing Content in its custody from being pirated.

9. Distribution to third parties at listing Participant direction. The listing Participant has the right and complete freedom to use the Listing Content relating to its active and off-market inventory; to the extent possible, subject to MLS policies, and with due consideration for operational costs, NNRMLS will attempt to facilitate transmission of the listing Participant's Content to recipients the listing Participant specifies. NNRMLS shall nonetheless impose the following conditions upon its cooperation with listing Participants in such matters:

- The requesting Participant must agree that NNRMLS is not liable for Listing Content accuracy or for frequency of Listing Content updates.
- NNRMLS will not assist in transmitting listing Participant Content to any third party that is aggregating Participant Listing Content in order to compete with the MLS service or with some aspect of it, or to provide Listing Content for search and display on an Internet website other than the Participant's individual website or that of its franchise site.
- Listing Participant and its third party must sign a License Agreement, which includes provisions to protect MLS and listing Participant, and pay any applicable fees.

10. Orderly transmission of listing data. Because NNRMLS believes that the integrity of data is a foundation to the orderly real estate market, that the Real Estate Transaction Standards (RETS) provide a vender neutral, secure approach to exchanging listing information between broker, broker's vender, and MLS and to further establish MLS information as the trusted data source, NNRMLS will implement and remain current with the RESO Standard by dates imposed by the National Association of REALTORS® and the Real Estate Standards Organization (RESO) Compliance Certification Process.

- RESO Data Dictionary will be adopted by January 1, 2016
- RESO Web API will be implemented by June 30, 2016
- To remain current NNRMLS must implement new releases of RESO Standards within one (1) year from ratification.

11. Process for requests not falling inside the policies. NNRMLS staff will employ the following steps when dealing with requests not falling within these policy statements:

- Find the Listing Content use or category above that most closely approximates the use being requested. Identify the key differences between the use above and the requested use.
- Determine if factors support the use being requested, if for example (a) listing Participant consent is required; (b) end-users of the Listing Content for the use will be MLS subscribers and Participants only; (c) the use is designed to provide Listing Content for purposes of subscriber/Participant productivity and not for some other commercial purpose; and (d) if aggregated Listing Content is being made available for third party use, individual listings are not individually identifiable.
- Determine whether factors recommend against the use requested, if for example (a) end-users of the Listing Content for the use will be consumers; (b) some financial or commercial advantage will accrue to the Listing Content user (other than encouraging the sale of property listed in the service); (c) the Listing Content use requires the MLS Listing Content to be handled by third parties; and (d) the Listing Content use requires that a whole copy or nearly a whole copy of the MLS Database must be delivered into the hands of a third party.
- Weigh the information obtained in the previous three steps and determine whether to permit the Listing Content use.
- Based on requests that fall outside of this policy, forward possible policy updates to the NNRMLS Board of Trustees for consideration.

12. Standard agreements. NNRMLS will have a standard Third Party License, IDX, Subscriber, Participant and Confidentiality agreements that will be reviewed and modified as necessary upon recommendation of staff and legal counsel.

13. Periodic reviews. MLS Listing Content use and license policy is to be reviewed periodically and revised to take into consideration new developments.

Section 1 – Entry of a listing as “NEW”

- A. A listing that has been in an off-market status (expired or withdrawn) may be re-entered as a “new” listing if it has been off of the market for at least 30 days.
- B. A listing may be re-entered as a “new” listing with no waiting period if the most recent status of the property is “sold”.
- C. A listing may be re-entered as a “new” listing with no waiting period if the property is being listed with a different company or firm.
- D. A listing may be re-entered as a “new” listing with no waiting period if the property is being listed with the same company but new owner.
- E. A listing may be re-entered as “new” with no waiting period if the property has a new owner or was foreclosed and subsequently re-listed with the same office or firm.
- F. A listing may be re-entered as “new” with no waiting period if the listing is expired or withdrawn under an agent at one branch office, and re-listed with a different agent at a different branch office of the same firm.

Section 2 – Placing a listing “Back on Market”

NNRMLS Staff Authorization to Change Listings

NNRMLS staff is not authorized to make changes to any listing without the written approval of the listing agent or broker, and then, only in specific circumstances. Members who need assistance in adding a listing or making changes to an existing listing are encouraged to contact NNRMLS tech support for assistance.

1. Authorized Changes: The following are the circumstances under which a staff member is authorized to make changes to a listing:

- A. **Correction of Original List Price (OLP).** NNRMLS staff will correct the “original list price” if the list price was input erroneously when it was initially added to the system. The change to the OLP will only be made within 5 days of the listing input date. A Listing Information Correction Form signed by the listing agent or broker requesting the change will be required prior to correction.
- B. **Correction of Listing Status.** NNRMLS staff will change the status of a listing due to an error in the entry of list price or expiration date. Additionally, if a listing is placed temporarily off the market and reactivated, the status will be changed back to “new” in accordance with this section. The status change back to “new” will only be made within 5 days of the listing input date. A Listing Information Correction Form signed by the listing agent or broker requesting the change will be required prior to correction.
- C. **Correction of Expiration Date.** NNRMLS staff will change the expiration date of a listing due to an error in the entry of the date when the error causes the listing to be inaccessible to the listing agent. A Listing Information Correction Form signed by the listing agent or broker requesting the change will be required prior to correction. A copy of the original listing input form may be requested for verification.
- D. **Staff Transfer of Listings.** MLS Staff will transfer listings from one agent to another in the same company or from one branch to another within the same firm. Listings that are moved from one company/firm to another must be withdrawn by the former office and re-listed at the new office. (Effective 5/1/07)
- E. **Staff Transfer of Transactions.** When an agent leaves a brokerage firm, they lose access to the transaction records created within transaction software under that brokerage. Because the broker has exclusive ownership of transaction data, MLS staff will not move transactions between firms. MLS staff will, with prior written authorization from the broker, transfer an agent’s transaction when that agent moves from one branch office to another within the same firm. (*Adopted 2/16*)
- F. **Staff Input of New Listings and Changes.** NNRMLS staff will gladly assist a member with instructions to add or update a listing, but are not authorized to make changes on behalf of a member.
- G. **Staff Upload of Photos or Virtual Tours.** NNRMLS staff will gladly assist a member with instructions to upload his/her photos or virtual tours but are not authorized to upload the photo/tour on behalf of a member.

2. Deletion of Listings:

- A. NNRMLS staff will not delete or erase a listing and its history from the MLS system under any circumstance other than the removal of an accidental duplication or re-list that occurred within 5 days of the original listing input. Section 1 - Virtual Tour Defined

- For NNRMLS purposes, a virtual tour is a pictorial tour of a property, which includes, but is not limited to still photos, video, audio or some combination thereof.
- NNRMLS does not sell or create virtual tours, but allows for posting of such tours in Paragon. The virtual tour link appears on selected MLS reports and is also included in data exports for public and IDX web sites.
- While style, layout and format may vary, there are two types of virtual tours: branded and unbranded. For NNRMLS purposes, each is defined as follows:
 - A "branded" virtual tour includes information other than the tour of the home, including but not limited to listing agent contact information, email links, agent photo, company logo, audio scripting that includes agent and/or office contact information, watermarked or overlaid contact info on photos, etc. A branded tour might also include links to other web sites and/or links to other services including but not limited to mortgage calculators, community information, etc.
 - An "unbranded" virtual tour includes information (including audio) on the property only. An unbranded tour might also include the logo of the virtual tour company that created the tour, but contains no contact

information or marketing media of the listing agent/broker, the listing agent may not appear in the video or virtual tour, and no link to the listing agent/broker website may be included. (updated 2/20/2014)

Section 2 - Virtual Tour Policy

- A. All virtual tours posted in Paragon to an “Unbranded Virtual Tour” field must be the “unbranded” version. (7/1/05)
- B. Only the link to an unbranded virtual tour may be loaded into an “Unbranded Virtual Tour” field. Posting of any other URL will be considered a violation of the policy.
- C. No links of any kind may be on an NNRMLS defined “unbranded” tour. (policy 10/10/05)

Section 3 - Violations

- A. The service fee for posting a branded tour or a URL for anything other than the unbranded virtual tour to an “Unbranded Virtual Tour” field for that particular listing will result in a Level 3 fine if not corrected in the required time frame.

B. A Non-REALTOR® Participant who is a member of an MLS (available to California licensees only) and meets above noted criteria. If NNRMLS membership is terminated for more than 30 days Participant or Subscriber must reapply for membership and pay all associated fees. Annual renewal for MLS Only Membership is \$35.

4. Limitations: An MLS-Only Member has the same access, privileges and restrictions of a member through one of NNRMLS’s shareholder Associations with the exception of the eligibility to vote or hold office in the corporation.
